BUSINESS AS UNUSUAL
Teaming to Innovate versus Execute
Oct. 4 | 5:30 p.m. to 7:30 p.m.

How can you become a more ambidextrous leader who not only executes to deliver the quarter, but also innovates to create the future?

As part of TLI’s Technically Speaking series, TLI Gemini Chair Kirk Foggatt and Minnovation Collective co-founder Santiago Vallejo will lead an interactive discussion on key challenges and best practices for leading high-performance innovation teams.

• Why is teaming to innovate different and more challenging?
• What are five success factors for innovation teams?
• How can you apply best practices in your organization?

In just 2 hours, gain new ideas and expand your network!
